STITCHLINE is NOT available for ruler feet wider than 1/2"

Ruler Thickness

Long Arm

High Shank

Low Shank

Notes: Bernina does not use standard low/high labels, so the chart lists the closest practical ruler thickness. For APQS, Gammill, Handi Quilter, Tin Lizzie, and some Viking long-arm use a 1/2" or 9/16" diameter foot. **STITCHLINE is NOT available for ruler feet wider than 1/2"**
